**Bill Ardrey Forestry Scholarship Application
Lancaster Soil and Water Conservation District**

Return this application and supporting documents to:

Amanda Roberts, District Manager
Lancaster Soil and Water Conservation District
PO Box 2274
Lancaster, SC 29721

The Lancaster Soil and Water Conservation District will award a scholarship this year for the sum of **\$1,000**. The scholarship will be presented at the Affiliate Members Recognition Program (month and date to be determined). The scholarship check will be written to the recipient and the college or university being attended.

The scholarship is presented to a college student who is from Lancaster County. The student must be attending a fully accredited college, university or technical college. The Conservation District will rank all applications with a points system. The recipient must be majoring in a forestry related major. The applications are evaluated on the following criteria:

- 30% - major
- 40% - essay
- 20% - grades overall
- 10% - recommendation letters

The recipient must demonstrate ability, knowledge, and need in the application. The applicant must have met admission requirements and have been accepted to the institution of his or her choice.

If the recipient wins the scholarship based on a major in a forestry related major, and then changes the major out of this area, the scholarship will then be awarded to the second place applicant if he or she is still in compliance with the guidelines because the ranking system gives the most points for the major.

Sponsors of this scholarship program include: Lancaster Soil and Water Conservation District Board of Commissioners, businesses, organizations, and individual citizens who have designated funds for this program.

The deadline for this application and supporting material to be in the Lancaster Soil and Water Conservation District office is **March 31st of each calendar year.**

Part 1 is to be completed by the guidance counselor.
Part 2 is to be completed by the applicant.
